Congratulations to all the winners and also to all who entered the contest. It was nice to see that so many people spent some of their time to make our town a little bit more "special". Once again, sincere thanks to Joseph's Olde Tavern Inn, the Mattapoisett Chowder House and Turk's Seafood who generously donated prizes for this year's contest. Also many thanks to Donald Jason and all the staff at the Presto Press for their extensive coverage of the 1990 Mattapoisett Lions' Door Decorating contest.

Special Town Meeting votes on a recycling program.

The six-member Recycling Committee's proposal to place five bins on town-owned land off Hubbard's Way to rear of the police station was discussed by the committee comprised of Anthony Pelson, Marilyn Flood, Dora Rosenfield, Marjorie Kitching and Bronie Apshaga. This is a convenient location for the community, they agreed.

A request to have the exact area in question staked out by Highway Surveyor Wesley Bowman was done the next day. Selectmen Chairman John DeCosta said there could be a problem about leaving stuff on the roadway such as they do at the landfill when it isn't open. Mr. Pelson commented this site would be an advantage as littering is against the law and it would be near a police station.

The site would be 40 foot across, seven feet wide and about 4½ feet high, with five bins designated for plastic, aluminum, tin, colored glass and clear glass. Each will be marked and a volunteer helper will be on the site on Saturdays from 9 to 1, except on holiday weekends. Mrs. Flood

How is good vision like an old saying?

How much trust would you have in a doctor who had two for one sales on gall stone operations? Not much, would you? Well Oxford Family Eye Care feels the same way about eye care. Unlike the franchises, we at Oxford Family Eye Care look at ourselves as a health care service - not a retail operation. Good vision is too important to be reduced to two for one sales. This health care approach has been our tradition. When you come to Oxford Family Eye Care you'll find a wide selection of frames, but more important, your prescription will be filled accurately and quickly. We also offer **EMERGENCY SERVICE.** Oxford Family Eye Care has always taken vision seriously, because we know that like an old saying, good vision can too easily be taken for granted.

stressed, "Our main objective is to get this stuff out of our landfill and out of our land."

Mr. Pelson noted this collection site will only be temporary as the committee hopes to have cubside collection going to the landfill recycling station. He noted that Chris Emery of the East Coast Disposal, the town's trash collector, has donated the containers and has agreed to pick up the material and take it to the landfill. Mr. Apshaga noted curbside collection will start in Mattapoisett on a small basis. It has started in Somerset and is working well. There is a high cost of $150,000 for the vehicle with separated bins, he added.

that will be finished in a few weeks for the February 4th Special Town Meeting.

Among the articles will be the one referring to recycling in town. The amount of $3,000 will be sought to comply "in accordance with the Administrative Consent Order by the state DEP. This amount of money must be appropriated to be used for recycling or composting the town's solid waste at the landfill". As explained by Selectman Daniel Mahoney, the town was fined for a problem at the landfill; this problem was resolved from an $8,000 fine, to $6,000, then to $3,000 if the town raised the $3,000 to pay the fine and set up a recycling program.

Selectman Mahoney felt the board should defer the volunteer Recycling Committee's proposal until this article is voted on.

Other articles proposed for the warrant include:

1) Amend the Building Department's budget by appropriating a $3,972.85 increase to cover the assistant building inspector's salary while the inspector was out due to illness.

2) Amend the budget to pay $1,074.15 to cover the Tri-Town Parade Mattapoisett hosted this year. The amount was omitted at the annual town meeting.

3) Authorize payment to K.D. Tripp, Inc. of Westport of $11,320.32 for piling work to the town wharf. (The new Procurement Act was not followed by not going out to bid for the work.)

7) Selectmen's budget, totaling $9,022.24 increase in the executive secretary and secretary's line items due to the reorganization of the office.

8) Motor Vehicle Forms: $1,200, needed because printed forms furnished by the Registry of Motor Vehicles now must be paid for by the town.

14) Finance Committee Membership Increase: Requesting to increase membership from the present five to seven members. Present Chairman Robert Banz is very much in favor of the increase and noted Peter Kortright has been sitting in on the meetings and has volunteered for one of the slots, if passed.

15) Annual Town Meeting Date: A 2/3 vote is needed to change the date from the third Monday in May to schedule a date in May at the board's discretion. The board had previously discussed possibly holding an all-day Saturday meeting.

Finance Committee Chairman Banz felt the move would be great. Selectmen said they would like to give it a try; "if it doesn't work we can always move it to a week night".

16) Record Storage: $7,500. This amount would remodel some of the basement area in the police station for proper storage of town records, some of which are being stored in the attic at town hall.

17) Repair Town Wharves: A preliminary figure of $300,000 has been suggested for repairing middle wharf, so-called #2. The funds would come from state house notes. The amount may be less, depending on bids and exact work being done.

18) Parking Lot Attendant: Transfer $1,000 from the expenses account to the salary account in the wharf budget.

termined to pay borrowing fees for Article 10 - the bond issues for the additional capacity to the Fairhaven Sewer Treatment Plant.

It was noted there will be a special town election on Thursday, February 7th, for one article. The debt exclusion request for the $250,000 for the sewer capacity expansion will only increase taxes during the term of the bond payments and is not a permanent increase.

VOTED UNANIMOUSLY to defer its decision on the December 11th hearing on the complaint of Mr. and Mrs. Dana Tripp of of Oakland Street against their neighbors, Mr. and Mrs. Stephen Bonney because of the barking five dogs. The deferment will be for 60 days until the next convenient selectmen's meeting or sooner if the participants are ready. Selectmen asked the parties to each submit in writing the action taken by them or any other way to narrow the issues.

APPOINTED Daniel C. Perry and the law firm of Perry, Hicks and Crotty of New Bedford as town counsel, term to expire April 1992. Attorney Perry and the law firm have been serving as Special Town Counsels since June 1989.

Mr. Mahoney commented that signs would have to be placed 50 feet apart, and it's not practical to enforce this ruling as people remove the signs. The board understands the chief is concerned about safety, but it will recommend to the chief that he place patrols in those areas on the first day of hunting season and tell hunters to obey the rules.

VOTED TO ACCEPT A GIFT of land from Mr. Timothy Furtado of South Tiverton, Rhode Island that he owns along Fairhaven Road.

The land is located across from Joseph's Restaurant and consists of 51.62 rods, 100 feet by 150 feet.

A letter from Barbara Furtado, wife of Timothy Furtado, writes: "We are submitting a copy of a deed of vacant land that we wish to give to the Town of Mattapoisett to be used for public purposes.

"My husband is presently at sea and is expected on the 22nd of December. We would very much appreciate your accepting this land as a gift and I will assure you that my husband will sign the original deed before a Notary Public before the end of December 1990 so as to make this gift effective in 1990."

Selectmen noted the land has a brook running through it and they were not sure if the land is buildable.

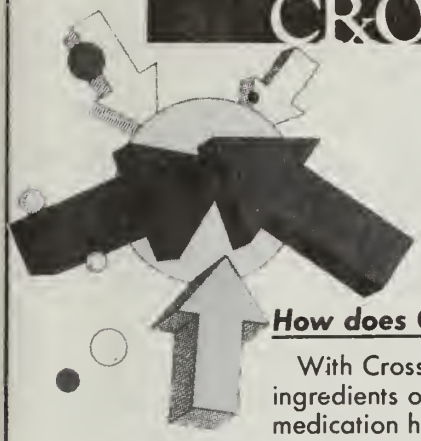
HERE'S THE PRESCRIPTION TO AVOID THAT COSTLY MISTAKE.

CROSS-CHEK™



We're Protecting you!

What is Cross-Chek™?

Whenever you receive a prescription for a new medication, you take a risk — a risk of a potentially severe drug-to-drug interaction. For your protection, our pharmacy has installed Cross-Chek™, a computerized system that checks for drug interactions.

How does Cross-Chek™ protect me?

With Cross-Chek™, we can instantly compare all ingredients of previously prescribed drugs in your medication history to all ingredients in the new drug. In just a few seconds, we are warned of potential interactions and are referred to several major references prior to consulting your physician. The result — you can have more confidence that the prescribed drug will work for you, rather than against you.

What can I do to protect myself?

The more we know about your medication history, the more effective Cross-Chek™ becomes. You can help by giving us a list of all prescription drugs you are taking and visiting the same store each time you fill a prescription. We will save this information to protect you from future drug interactions.

Cross-Chek™ helps us give you personalized protection. It may even save your life!

Congregational Church

MATTAPOISETT

On the day of Epiphany we remember the visitation of three men who had traveled a distance in miles and time in order to find a king who was yet a child. While they wished to honor him, Herod wished to kill him. They were seeking wisdom and truth, Herod had only the preservation of his own power in mind.

There are two different responses to Jesus, and they parallel our responses to the children of the world. Where do we honor them and where do we sacrifice them? Each day offers us a choice.

"Altars of Honor, Altars of Pride" will be the title of the sermon at the Mattapoisett Congregational Church this Sunday, January 6th which will be Communion Sunday. Our worship begins at 10:00 a.m. All are welcome, and nursery service is available.

The fourth Machacam Club meeting for 1990-91 will be held on Wednesday, January 2nd, at the American Legion Hall on Depot Street, Mattapoisett. The social hour will begin at 5:30 p.m. with dinner service starting at 6:00.

This month's speaker will be the Reverend Raymond Patch, minister of the Mattapoisett Congregational Church. Rev. Patch will speak on the Peace Corps of the 90s. Once a major item of the 60s the Corps has evolved and changed but still supports over 12,000 volunteers world-wide. Rev. Patch's past presentations have always been both informative and enjoyable. This program should be no exception.

GATEWAY PLAYHOUSE RESTORATION

The Globe Theater Troupe, Inc. is happy to announce that its production of Sam Shepard's Pulitzer Prize winning play, BURIED CHILD, will open on Friday, January 18th, at the Wareham High School Auditorium as a benefit for the restoration of the Gateway Playhouse.

Originally scheduled to open in mid-November at the Gateway Playhouse under its new administration, the production was postponed due to electrical problems at the theater. While investigating this situation other needed repairs were uncovered and the Gateway Players current Board of Directors decided major renovation is needed to assure the safety and comfort of its patrons.

Major fundraising events are being planned for the new year and the Globe Theater Troupe has offered this production as the kick-off event this season. While the Playhouse is under repair the search for a space for this production and perhaps two follow-

VA CLARIFIES TAX LIABILITY ISSUES FOR CERTAIN VETERANS

The Department of Veterans Affairs has announced a clarification of two issues concerning tax liability for veterans who are entitled to VA disability compensation and also eligible for either retirement pay or disability severance pay from the military.

Normally, military retirement pay based on age or length of military service is taxable income and reported to the Internal Revenue Service (IRS). However, if all or a portion of the veteran's retirement pay is waived due to receipt of VA disability compensation, the veterans' taxable income is reduced by an amount equal to VA compensation. This means the veteran would normally pay less taxes based on a reduced gross taxable income. However, VA officials have been informed that IRS

was unable to credit some veterans who had waived their retired pay for VA compensation because the award letters provided by VA did not provide sufficient information for IRS purposes.

Affected veterans should refile for the exclusion by submitting a completed VA Form 20-8993 or an official VA letter granting retroactive benefits that clearly states "in lieu of VA Form 20-8993" with their annual Federal tax forms.

The second tax liability issue concerns cases where veterans have paid taxes on the total amount of disability severance pay awarded to them by the military and are subsequently awarded VA disability compensation.

In these cases, VA is required to recoup the entire lump sum paid by the military, including the amount paid for taxes. This is generally accomplished by reducing monthly compensation payments by a set amount until the lump-sum military payment is reached.

Some veterans erroneously believe they are due a tax refund on that portion of the recoupment paid for taxes. IRS has determined, however, that disability severance pay is taxable income because it is received as a lump-sum payment rather than a monthly disability benefit. IRS has also concluded that no reduction in tax liability would occur if the veteran were subsequent-

sponsored by the Woods Hole Oceanographic Institution (WHOI) Sea Grant Program and the Massachusetts Maritime Academy (MMA), will be held on Saturday, February 2nd, from 9 a.m. to 4:30 p.m. in the Harrington Building at the Massachusetts Maritime Academy in Buzzards Bay. The workshop is co-sponsored by the Massachusetts Office of Coastal Zone Management (CZM) and the MIT Sea Grant College Program.

Designed for Massachusetts officials concerned with plans and procedures to be implemented in the event of a local spill, the workshop will feature four speakers during the morning session, and working sessions in the afternoon.

Dr. John W. Farrington, associate director for education and dean of graduate studies at WHOI, will provide a general overview of the "Environmental Impacts of Oil Spills". Information on "The Transportation of Oil" will be provided by Captain Joseph Murphy, professor of marine transportation at the Maritime Academy. He will be followed by Captain Eric J. Williams, III, of the U.S. Coast Guard's Marine Safety Office in Providence, RI, who will describe current "Federal and Regional Oil-Spill Contingency Planning". Mr. Steve Bliven, assistant director of CZM, will then summarize "Oil-Spill Contingency Planning at the Local Level".

After lunch, workshop participants will break into small groups to discuss the existing contingency plans for Cape Cod and Nantucket, the North and South Shores, Buzzards and Mt. Hope Bays, and Martha's Vineyard. A panel discussion will wrap up the program by offering comparisons among the local plans, suggestions for improvements and an opportunity for specific questions and answers.

The Oil-Spill Contingency Planning Workshop is appropriate for town hazardous waste coordinators and environmental or natural resource officers, fire department personnel, harbormasters, regional planners, and other town officials or members of the public who

eye talk

Q. Will video games harm my children's eyes?

A. Actually, video games may help sharpen your children's vision rather than harm it but only if they are played in moderation.

Staring at a video screen for hours on end puts the eyes under great stress. That can lead to headaches, fatigue, blurring vision and, in children and teens, may contribute to nearsightedness.

Played in moderation, however, video games can help sharpen vision skills used in school, on the job and in sports. These include eye movement skills; eye-hand coordination; visual reaction time; visualization; and side vision awareness.

Optometrists don't specify how many hours a day of video game play would be considered moderate play. Instead, they recommend five minute rest breaks for every 30 minutes of play. During rest breaks, players should look at things in the distance.

The Durant Sail Loft Inn, a unique historic hotel overlooking New Bedford's waterfront, is a new corporate sponsor for the Zeiterion. Mike Delacey, Manager of the Inn, said, "We felt it was appropriate to sponsor a Travelogue series for people who really enjoy traveling - the kind of client we cater to at the Inn." The Inn is located in the old Bourne Counting House at One Merrill's Wharf, and offers an alternative for those who would prefer to stay in a National Landmark Historic District. Mr. Delacey added, "We wholeheartedly support the Zeiterion - the gem of this community."

Travelogues, in essence, give you a glimpse of a foreign land. They are travel presentations that feature a color motion picture of a foreign country accompanied by the stories - live and on stage - of the world traveler who filmed the movie. The travelogue presenters focus on one country - displaying the unique beauty and sharing the culture of that particular land. The presentation is not a sales pitch by a travel agent, but an honest, insightful commentary from an experienced world traveler - a story teller who uses his own professional film to give added life to his words.

"A Journey to Japan", hosted by Woody Thomas, will open the series on January 4th. During the evening you will experience the wonders of this country, from city to villages, mountains to seacoasts, castles to shrines and public parks to private homes. Some of the highlights include a springtime celebration of Ohanami in Kyoto, a visit to Nara to see the giant Buddha and deer park, and a tour of Hiroshima and the Peach Park. Mr. Thomas will also share with you his trip around Mt. Fuji, a boat ride on Lake Hakone, an excursion up the Japan Alps and a day's adventure in Tokyo.

James Cole will show his audience the true spirit of Poland, a pivotal country in central Europe, in his "Passport to Poland" on February 1st. In his presentation he'll

BOARD OF HEALTH

Pursuant to Massachusetts General Laws (M.G.L.) Chapter 111 Section 31, the Mattapoisett Board of Health at its regular meeting on December 18, 1990 voted unanimously to adopt the following regulations:

The design of all new subsurface sewage disposal systems shall be based on the naturally occurring seasonal high groundwater elevation including any "Perced" water condition. No drainage system intended to lower the groundwater elevation will be allowed. In reviewing the repair of an existing system, the board may decide in certain cases that an intercept drainage system up-gradient of an existing septic system is justified to improve the performance of the septic system.

The 100 (one hundred) foot minimum offset for a proposed septic leaching system from a protected resource, as defined in the Mattapoisett Board of Health regulations, shall be measured from the edge of such a resource prior to any construction and from any proposed resource replication area. The 100 foot offset will not be measured from the limit of any proposed areas of fill in resource areas.

The Zeiterion Theatre announces two special performances of William Shakespeare's "The Taming of the Shrew" on Monday, January 7th, and Tuesday, January 8th, both days at 9:30 a.m. General admission tickets are $3.50 each. For reservations call Victor da Silva at the Zeiterion at 997-5664.

The National Players of Washington, D.C. will present this play, one of Shakespeare's most boisterous comedies. The unending battle of the sexes is dramatized in the quirky and gutsy courtship of Kate and Petruchio, who find themselves ensnared in a contest of wills. The company will present this classic play in their own unique style.

The National Players, a professional theatrical company for 41 years, have received rave reviews from around the country. The company has given over 5,000 performances of plays by Shakespeare, Moliere, Shaw, Sophocles and many other classic playwrights.

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. The theatre is wheelchair accessible and there is plenty of free parking.

The Zeiterion is funded in part by the Massachusetts Cultural Council, the Arts Lottery Councils of Acushnet, Dartmouth, Fairhaven, Freetown, Marion, Mattapoisett, New Bedford, Rochester, Wareham and Westport, the City of New Bedford, and the New England Foundation for the Arts.

of the Zeiterion's Saturday Youth Theatre Festival. The show will be performed on January 12th with two shows, 10:30 a.m. and 1:00 p.m. The festival is sponsored by Fairhaven Savings Bank for the fourth year in a row.

Mermaid Theatre's "Peter and the Wolf" is an inventive adaptation of Prokofiev's beloved musical tale for children. The show's colorful masks and puppets, its whimsical rustic setting and its lively musical arrangements offer a fine introduction to the visual and performing arts.

Mermaid Theatre's "Peter and the Wolf" has been hailed by critics, educators, parents and children throughout the United States, Canada and Europe. The show's skillful blend of "hi-tech" surprises, a charming synthesizer score and high energy staging stimulate and interest older children, while younger audiences are immediately attracted by the delightful folk-like masks and animal puppets.

The series will continue on February 16th with the Gingerbread Players and Jack production of "Snow White", followed by Tom Chapin, the multi-talented folk musician, who will perform his family music on March 16th. Child's Play Touring Theatre, a nationally acclaimed company that performs stories and poems written by children, will perform the final show of the festival on May 11th.

Tickets are $4.50 each, general admission.

IN-SERVICE PROGRAM ON "VIOLENCE"

Recently Maria Mascaritolo and Susan Edwards, members of South Shore Women's Center, conducted an in-service program on "Violence" for the Old Colony Regional Vocational-Technical High School staff.

The in-service focused on understanding why students may resort to violence and how teachers may prevent it. Teachers were asked to role play situations where students may act aggressively.

Ms. Mascaritolo also discussed the dangers of drugs and alcohol and how they play a major role in most of the violent acts that may take place in today's high school.

The in-service program was funded by the Governor's Alliance Against Drugs and Alcohol.

SEMINARS ON BANKING

Recently James Galavotti and Lindy Sanz from the Sandwich Co-Operative Bank provided two seminars for the juniors at the Old Colony Regional Vocational-Technical High School.

Mr. Galavotti and Ms. Sanz worked closely with business instructor Michael Sirrico in developing and scheduling the seminars which focused on basic banking. Each student received a package, compliments of the bank, that contained sample checks, loan applications, and other banking applications. MIME ENTERTAINS AT OLD COLONY

Recently Scot Cannon, a mime and outstanding performer, performed for the students at Old Colony Regional Vocational-Technical High School. His performance of "We Can", a skit written and produced by Cannon, was well received by all the Old Colony students.

The presentation focused on self-esteem by showing how making the right decisions make people feel good. Cannon mimed a typical day of a high school student from waking up in the morning to the bus ride home from school.

After the performance Cannon opened a discussion period where students were allowed to ask questions. Cannon talked about decision making and how it is important to make the right decision when it comes to alcohol and drugs.

This performance was funded through the Governor's Alliance Against Drugs.

GIFTS TO PEDIATRICS WARDS

As a result of their hard work members of the Old Colony Regional Vocational-Technical High School National Honor Society celebrated the holidays by presenting gifts to the pediatrics wards of three area hospitals.

Following a fund-raising involving local businesses, the group purchased Nintendo equipment and games, as well as collected stuffed animals, which they distributed to New Bedford's St. Luke's Hospital, Wareham's Tobey Hospital, and Plymouth's Jordan Hospital.

Throughout the rest of the school year, the students will continue their involvement in community service work. A number of projects are planned to assist each of the towns which belong to the Old Colony regional district.
